DESCRIPTION

Dodge Charger Daytona R/T 2024

This used 2024 Dodge Charger Daytona R/T brings bold electric power, all-wheel drive confidence, and modern Dodge attitude to every trip in Parkville. With only 6,627 km, a silver exterior, black interior, and dual electric drive motors, it delivers quick response, smooth acceleration, and everyday practicality in one exciting package. Built on Dodge performance heritage, this 2024 Dodge Charger Daytona R/T adds a new electric edge with front and rear electric drive motors and a 1-speed transmission. The all-wheel drive system helps provide secure traction in changing conditions, while the low kilometre reading makes this example an appealing choice for drivers who want fresh, current design.
